Community Event Support Policies

For Non-Homeowner and Civic Associations

The City of Rockville, Department of Recreation and Parks, offers assistance to Parent Teacher Associations (PTAs) or elementary, middle or high schools within the City of Rockville who would like to host a community event.

Although the primary responsibility for planning and coordinating the event will be that of the sponsoring organization, the City of Rockville will provide assistance with activities, amusements, supplies, publicity, and recommendations.

1. Sponsoring organizations must be a recognized City of Rockville PTA or elementary, middle or high school.
2. Applications are approved at the discretion of the Recreation and Parks Department. Applications from organizations must be received at least **five weeks prior** to the date of the event. The number of supported events per week or weekend is limited, and dates are available on a first come, first served basis. Alternative dates and rain dates may be requested. Organizations should contact the City as soon as possible to confirm date availability.
3. Organizations are limited to **one** City co-sponsored event per fiscal year (July 1 – June 30).
4. Annual events are not automatically renewed. Applications and reservations must be made each year. No application will be accepted more than **twelve months prior** to the date of the event.
5. Please review the attached list of dates that are during City of Rockville sponsored events. Community events will not be allowed during these dates. In the event that there is a conflict with another City sponsored function/event, the organization has the option of choosing another date.
6. The sponsoring organization has the responsibility for recruiting and supervising volunteer help for the event.
7. The City strongly discourages organizations from charging a fee for use of equipment the City has provided. If fees are charged for fundraising purposes, the profits from these events are to be divided 50/50 between the organization and the City of Rockville Recreation Fund.
8. Organizations requesting City equipment are responsible for any damages incurred during their use. A **\$150.00 check or money order must accompany the application**; checks/money orders should be made payable to the **City of Rockville**. This deposit will be held until City equipment is returned. Deposits will be returned within two weeks after the events if there are no damages. A replacement supply list will be made available if needed.
9. In the event of inclement weather, the City of Rockville reserves the right to determine the operation of outdoor equipment, which may include cancellation. A rain call must be made by Noon the day before your event in order to ensure successful delivery of event materials/equipment.
